RE: Call for Volunteers for Field Trip and Climb Leaders

Greetings and Happy Holidays! The start of the New Year is the time when Olympia Mountaineers committees are preparing for the start of the Basic Climbing and Alpine Scrambling courses, which begin at the end of January.

**Field Trip Volunteers:** You may volunteer to help with as many workshops and field trips as you like. **Recent graduates of the courses are encouraged to assist, even if you've never volunteered before!** All first-time volunteers will be paired with experienced instructors. For many recent graduates, assisting with field trips is a great way to brush up your basic skills.

**Climb / Scramble Leaders:** If you are an approved Experience/Club Climb or Scramble leader, please volunteer to lead one or more climbs this year.

If you aren't an approved climb or scramble leader but are interested in being approved, please contact the Scrambling, Basic Climbing, Intermediate Climbing Chair or Leadership Chair listed below.

Thanks in advance for volunteering!

*Richard Irwin*
